

# Propagation 101

*Starting Seeds & Preparing Cuttings*

## REGISTER NOW

**January 14 from 2:30pm to 4pm**  
**Alachua County Ag Auditorium**  
**22716 W. Newberry Road, Newberry, FL 32669**

Starting seeds and preparing cuttings require essential tools, equipment, and growing media. Presenters will demonstrate these two propagation techniques while discussing planting dates, seed recommendations, plant selection for cuttings, and proper use of tools.

There is no registration fee, but participants must register online.  
Limited to 100 participants.
